This is a request for an extension of time of 5 (days), (weeks), (months) under 37 CFR 1.136(b) in this pending application. An extension of time is not available in this application under the provisions of 37 CFR 1.136(a); however, additional time to respond may still be granted under the patent statute. The petition fee under 37 CFR 1.17(g) is required. The reasons for requesting the extension of time are the following:

1. Applicant resides outside of the US (in Israel) where mail communication takes approx. 2 weeks to and from the USPTO. Due to holiday season last communication took 21 days to reach applicant.
2. Last Application having minor technicality has been processed for 18 days in the USPTO.
3. Applicant is not represented by a patent attorney and is a novice in the patent field, requesting this refund as a gesture of good faith.

Applicant requests for the above reasons to refund applicant for the total sum paid for time extension on Dec. 17 2006.
